## Safety data sheet according to 1907/2006/EC, Article 31

Printing date 17.10.2023

Version number 13.0 (replaces version 12.0)

Revision: 17.10.2023

## SECTION 1: Identification of the substance/mixture and of the company/ undertaking

#### 1.1 Product identifier

- Trade name: KEIM UNIVERSALPUTZ
- 1.2 Relevant identified uses of the substance or mixture and uses advised against
   Application of the substance / the mixture
- Dry mortar to be mixed with water and then used as a plaster for walls and ceilings indoors and outdoors.

Renovation and thin layer exterior wall render, based on lime cement with a small amount of organic additives and fibre reinforcement.

- · Uses advised against All other uses are not recommended.
- · 1.3 Details of the supplier of the safety data sheet
- Manufacturer/Supplier: KEIMFARBEN GMBH Keimstraße 16 / 86420 Diedorf Tel. +49 (0)821 4802-0 Fax +49 (0)821 4802-210 www.keim.com / info@keimfarben.de
- Further information obtainable from: Product safety department Telefon: 49(0)821/4802-138
   E-Mail: sdb.info@keimfarben.de
   1.4 Emergency telephone number:
- GBK GmbH Global Regulatory Compliance Emergency number: +49(0)6132/84463

## **SECTION 2: Hazards identification**

#### · 2.1 Classification of the substance or mixture

#### · Classification according to Regulation (EC) No 1272/2008

Skin Irrit. 2 H315 Causes skin irritation.

Eye Dam. 1 H318 Causes serious eye damage.

STOT SE 3 H335 May cause respiratory irritation.

#### · 2.2 Label elements

#### <sup>•</sup> Labelling according to Regulation (EC) No 1272/2008

- The product is classified and labelled according to the CLP regulation.
- · Hazard pictograms

· Signal word Danger

• **Hazard-determining components of labelling:** Cement, portland, chemicals

(Contd. on page 2)

<sup>-</sup> DEN

Page 2/12

## Safety data sheet according to 1907/2006/EC, Article 31

Printing date 17.10.2023

Version number 13.0 (replaces version 12.0)

Revision: 17.10.2023

#### Trade name: KEIM UNIVERSALPUTZ

	(Contd. of page 1)
calcium dihydro	xide
Hazard statem	ents
H315 Causes sl	kin irritation.
H318 Causes se	erious eye damage.
H335 May caus	e respiratory irritation.
• Precautionary	statements
P280 P261	Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing dust.
P271	Use only outdoors or in a well-ventilated area.
P305+P351+P3	38 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact
	lenses, if present and easy to do. Continue rinsing.
P315	Get immediate medical advice/attention.
P304+P340	IF INHALED: Remove person to fresh air and keep comfortable for breathing.
P302+P352	IF ON SKIN: Wash with plenty of soap and water.
P362	Take off contaminated clothing.
P332+P313	If skin irritation occurs: Get medical advice/attention.
· 2.3 Other haza	rds
	ontains cement. Cement produces an alkaline reaction with moisture or water. Avoid es and prolonged skin contact.
	and vPvB assessment
· PBT: Not applic	able
· vPvB: Not appli	
	of endocrine-disrupting properties Not applicable.

## **SECTION 3: Composition/information on ingredients**

· Dangerous components:

CAS: 65997-15-1	Cement, portland, chemicals	10-<20%
EINECS: 266-043-4	� Eye Dam. 1, H318;	10- 20 %
CAS: 1305-62-0	calcium dihydroxide	≥3-<10%
EINECS: 215-137-3	😔 Eye Dam. 1, H318; 🚸 Skin Irrit. 2, H315; STOT SE	
Reg.nr.: 01-2119475151-45- XXXX	3, H335	

#### · Additional information:

White Portland cement is low in chromate due to the process, i.e. the content of water-soluble chromium(VI) is less than 0.0002 %, even without the addition of chromate reducer. For the wording of the listed hazard phrases refer to section 16.

## **SECTION 4: First aid measures**

## · 4.1 Description of first aid measures

• General information: When seeing the doctor we suggest to present this safety data sheet.

(Contd. on page 3)

- DEN

<sup>· 3.2</sup> Mixtures

<sup>•</sup> **Description:** White Portland cement, calcium hydroxide, aggregates and additives.

Page 3/12

## Safety data sheet according to 1907/2006/EC, Article 31

Printing date 17.10.2023

Version number 13.0 (replaces version 12.0)

Revision: 17.10.2023

(Contd. of page 2)

#### Trade name: KEIM UNIVERSALPUTZ

- After inhalation: Supply fresh air; consult doctor in case of complaints.
   After skin contact:
  - Immediately wash with water and soap and rinse thoroughly.
  - Do not use solvents or thinners.
  - If skin irritation continues, consult a doctor.
- · After eye contact:
- Rinse opened eye for several minutes under running water. Then consult a doctor.
- After swallowing: Rinse mouth and throat well with water.
- Do not induce vomiting; call for medical help immediately.
- **4.2 Most important symptoms and effects, both acute and delayed** No further relevant information available.
- **4.3 Indication of any immediate medical attention and special treatment needed** No further relevant information available.

## **SECTION 5: Firefighting measures**

- · 5.1 Extinguishing media
- · Suitable extinguishing agents:
- Product itself does not burn. Co-ordinate fire-fighting measures to the fire surroundings.
- 5.2 Special hazards arising from the substance or mixture
- No further relevant information available.
- · 5.3 Advice for firefighters
- · Special protective equipment: Wear self-contained respiratory protective device.
- Additional information
- Dispose of fire debris and contaminated fire fighting water in accordance with official regulations. In case of fire do not breathe smoke, fumes and vapours.

## **SECTION 6: Accidental release measures**

 6.1 Personal precautions, protective equipment and emergency procedures Avoid contact with skin and eves. Avoid formation of dust. Use respiratory protective device against the effects of fumes/dust/aerosol. Respect the protection rules (see section 7 and 8). Product forms slippery surface when combined with water. 6.2 Environmental precautions: Do not allow product to reach soil, sewage system or any water course. Follow local governmental rules and regulations. 6.3 Methods and material for containment and cleaning up: Close drainages (risk of blocking) Danger of slipping! Avoid formation of dust. Ensure adequate ventilation. Pick up mechanically. Dispose of the material collected according to regulations. (Contd. on page 4)

Page 4/12

Clear contaminated areas thoroughly.

6.4 Reference to other sections

See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

## **SECTION 7: Handling and storage**

· 7.1 Precautions for safe handling Avoid contact with skin and eyes. Keep receptacles tightly sealed. Prevent formation of dust. Ensure good ventilation/exhaustion at the workplace. Any unavoidable deposit of dust must be regularly removed. See item 8 (8.2) for information about suitable protective equipment and technical precautions. Respect the protection rules. Information about fire - and explosion protection: The product is not flammable. No special measures required. · 7.2 Conditions for safe storage, including any incompatibilities · Storage: · Requirements to be met by storerooms and receptacles: Keep in the original containers in a cool and dry place. Store only in unopened original receptacles. · Information about storage in one common storage facility: Do not store together with acids. · Further information about storage conditions: Store in dry conditions. Protect from humidity and water. Avoid dust formations and deposits. Keep container tightly sealed. Protect from heat and direct sunlight. · Storage class: 13

## **SECTION 10: Stability and reactivity**

• 10.1 Reactivity Reacts with water alkaline and hardens.

<sup>-</sup> DEN

Page 8/12

## Safety data sheet according to 1907/2006/EC, Article 31

Printing date 17.10.2023

Version number 13.0 (replaces version 12.0)

Revision: 17.10.2023

(Contd. of page 7)

#### Trade name: KEIM UNIVERSALPUTZ

• **10.2 Chemical stability** Stable under normal conditions of storage and use.

• Thermal decomposition / conditions to be avoided:

Stable at environment temperature.

No decomposition if used and stored according to specifications.

• 10.3 Possibility of hazardous reactions No dangerous reactions known.

· 10.4 Conditions to avoid Humidity

· 10.5 Incompatible materials: Acids

· 10.6 Hazardous decomposition products:

No hazardous decomposition products if stored and handled as prescribed.

## **SECTION 11: Toxicological information**

11.1 Information on hazard classes as defined in Regulation (EC) No 1272/2008

• Acute toxicity Based on available data, the classification criteria are not met.

#### · LD/LC50 values relevant for classification:

#### 1305-62-0 calcium dihydroxide

Oral LD50 >2,000 mg/kg (rat) (OECD 425)

Dermal LD50 >2,500 mg/kg (rabbit) (OECD 402)

Skin corrosion/irritation

Causes skin irritation.

· Serious eye damage/irritation

Causes serious eye damage.

· during inhalation: Irritating to respiratory system.

· during swallowing: Irritant effect possible

#### Respiratory or skin sensitisation

This product contains white cement.

By using white Portland cement, the content of sensitizing chromium (VI) is below 0.0002% in the cement content of the usable product.

Therefore, there is no risk of sensitization by chromate.

Based on available data, the classification criteria are not met.

• Germ cell mutagenicity Based on available data, the classification criteria are not met.

• Carcinogenicity Based on available data, the classification criteria are not met.

· Reproductive toxicity Based on available data, the classification criteria are not met.

• **STOT-single exposure** Based on available data, the classification criteria are not met.

· STOT-repeated exposure Based on available data, the classification criteria are not met.

· Aspiration hazard Based on available data, the classification criteria are not met.

#### Other information (about experimental toxicology):

Experimental analysis are not available.

The product was not tested. The statements on toxicology have been derived from the properties of the individual components.

Subacute to chronic toxicity:

CMR effects (carcinogenity, mutagenicity and toxicity for reproduction) Not applicable

## **SECTION 13: Disposal considerations**

#### · 13.1 Waste treatment methods

#### Recommendation

Must not be disposed with household garbage. Do not allow product to reach sewage system. Disposal must be made according to official regulations.

Unused remainders of the product should be regarded as hazardous waste.

Recommendation for non-reusable residues: Mix with water and allow to harden.

Allow wet product and product sludge to harden and do not allow to get into drains or waterways. Dispose hardened product as concrete waste.

#### · European waste catalogue

17 01 01 concrete

#### · Uncleaned packaging:

· Recommendation:

Non contaminated packagings may be recycled.

Disposal must be made according to official regulations.

Recommended cleansing agents: Water, if necessary with cleansing agents.

#### **SECTION 14: Transport information** · 14.1 UN number or ID number · ADR, IMDG, IATA Void · 14.2 UN proper shipping name · ADR, IMDG, IATA Void · 14.3 Transport hazard class(es) · ADR, IMDG, IATA · Class Void · 14.4 Packing group · ADR, IMDG, IATA Void · 14.5 Environmental hazards: · Marine pollutant: No · 14.6 Special precautions for user Not applicable · 14.7 Maritime transport in bulk according to **IMO** instruments Not applicable · Transport/Additional information: No dangerous good in sense of these transport regulations. · UN "Model Regulation": Void - DEN
