Sanierfräser	für 60 mm geeignet	1	piece

6. LAGERUNG

max. storage time	Lagerungsbedingungen
no maximum storage time	flat-lying in the outer cardboard

7. ENTSORGUNG

Waste metals

8. SICHERHEITSHINWEISE

no particular indications

9. ALLGEMEINE HINWEISE

The stated values and properties are the result of extensive development work and practical experience. Our recommendations for application, whether given verbally or in writing, are intended to provide assistance in the selection of our products and do not establish a contractual relationship. In particular, they do not release the purchaser and processor from the obligation to convince themselves of the suitability of our products for the intended application with due care, which is general practice in trade and crafts. The general rules of construction technology must be observed. We reserve the right to make modifications to improve the product or its application. This edition supersedes all earlier editions.
