

## TECHNICAL DATA SHEET

# KEIM ALGICID-PLUS

## 1. PRODUCT DESCRIPTION

KEIM Algicide Plus is a non-acid fungicide wash to resist algae and micro-organism on all mineral surfaces.

## 2. FIELD OF APPLICATION

KEIM Algicide Plus is suitable for all mineral surfaces which exhibit micro-organisms. Surfaces to be treated three hours prior to cleaning, as a preventive protection against attack of micro-organisms.

## 3. PRODUCT PROPERTIES

### Material characteristics

- Easy to apply
- Non-flammable
- Inhibits mould and fungal growth

## 4. APPLICATION INSTRUCTIONS

### Substrate preparation and application

Any algae should be wire brushed to remove all growths and then treated with KEIM Algicide Plus, brush or low-pressure spray applied and allowed to remain undisturbed for three hours before thoroughly washing off. Where algae growth is severe a further treatment of KEIM Algicide Plus should be applied as detailed and allowed to remain and dry on the surface.

### Consumption

Approx. 0.2 lt/m<sup>2</sup> per application.

Consumption rates are offered for guideline purposes only and are quoted for smooth rendered surfaces. Actual rates are the responsibility of the applicator. Project specifications should be referred to for specific rates.

### Cleaning of tools

Clean immediately after use with water.

## 5. PACKAGING

5 lt and 20 lt container

## 6. STORAGE

Approx. 12 months, if kept cool but frost free in tightly closed containers.

## 7. SAFETY INSTRUCTIONS

Cover surfaces which are not to be treated, in particular plants, etc. Protect the eyes and skin from splashes. Keep out of reach of children.

Please, refer to the EC Material Safety Data Sheet

The stated values and properties are the result of extensive development work and practical experience. Our recommendations for application, whether given verbally or in writing, are intended to provide assistance in the selection of our products and do not establish a contractual relationship. In particular, they do not release those purchasing and applying our products from the duty of establishing for themselves, with due care, the suitability of our products for the intended application. Standard building industry practices must be complied with. We retain the right to make modifications to improve the products or their application. This edition supersedes all earlier editions.
